## Our Services

## Vehicle Hire & Leasing

Nikky Taurus provides various brand of vehicles at the best possible prices based on customer specification. We offer a wide variety of current model vehicles on short and long term rental basis. Our range of vehicles includes Toyota, Honda, Mitsubishi, Suzuki vehicles of different sizes with seating capacity ranging from 5 seater cars to 30 seater buses. These vehicles are suitable as:

- Staff Buses
- ECOWAS Tour buses
- Airport shuttle buses
- Security Patrol buses
- School Buses
- Company cars
- Special utility vehicles

## Fleet Management

We manage, maintain, service, repair and recover third party vehicles thereby relieving companies of this burden and enabling them to focus on their core businesses. We provide suitable and comparable replacement vehicles with or without drivers for vehicles in workshop for routine and/or non routine maintenance, including accidented vehicles.

The management of other transport related matters, such as license renewal, driver safety, training, accurate driver records etc, to compliance matters such as insurance, tax and other concerns like maintenance, mobile management, fuel, accident services etc, are our speciality

## Logistics Consultancy

Leveraging our years of experience in the industry, we can help our clients create effective distribution and transport strategies for carrying out their various business operations.

Our choice of fleet of vehicles is deliberate and this is to enable us provide the best possible distribution solution for our customers. The range is large and comprehensive, reflecting the differing market sectors and operational demands.

In terms of quality, reliability, sustainability, innovation, safety, and network coverage, our expertise puts us at the forefront of the Logistics Consultancy Industry. With our culture of partnership we help our customers solve their logistics problems.

## Manpower Recruitment

We supply Manpower to businesses. Our hires which include drivers, transport officers and fleet supervisors are seasoned and well-trained to communicate and act professionally at all times.

## Health & Safety Policy

Nikky Taurus Nigeria strives to continually promote the safety and well-being of all its employees, clients and organizational components, as well as ensure the protection of its surrounding environment. To achieve this objective, the company is committed to identifying all hazards associated with its transport service operations, and putting in place specific measures to prevent or minimize their occurrence. The safety and security of life, property and the natural environment is of utmost importance to the company.

Nikky Taurus also comply with all applicable relevant health, safety and environment laws and regulations in Nigeria and its operating environments.
